***CONSOLIDATED FINANCIAL
STATEMENTS***

December 31, 2017

Independent Auditor's Report

To the Board Of Directors Of Saskatoon Public Library

We have audited the accompanying consolidated financial statements of Saskatoon Public Library, which comprise the statement of financial position as at December 31, 2017, and the statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Saskatoon Public Library as at December 31, 2017, and results of its operations, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

SASKATOON PUBLIC LIBRARY
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017
(In thousands of dollars)

1. PURPOSE AND AUTHORITY

Saskatoon Public Library (the "Library") offers services and programs under the authority of The Public Libraries Act, 1996. The purpose of the Library is to ensure the provision of library services, as set out in the Act, within the boundaries of the Library's municipal area as established by regulation. The Library is exempt from income taxes under the Income Tax Act.

2. ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards ("PSAS") as recommended by the Chartered Professional Accountants of Canada ("CPA Canada").

A) BASIS OF CONSOLIDATION

- i) These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the general fund (Schedule 3) and reserve funds (Schedule 1). In addition, the consolidated reporting entity includes the Library's interest in the Saskatchewan Information & Library Services Consortium ("SILS") which has been proportionately consolidated. Any balances or transactions between the Library and SILS have been eliminated through the consolidation process.
- ii) Schedule 3 includes only those revenues and expenses reflected in the Library's Annual Operating Budget, which is prepared to identify the Library's property tax requirement.

B) ACCOUNTING POLICIES

- i) **Cash and Cash Equivalents**
Cash is comprised of cash on hand and demand deposits. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value, with maturities of three months or less from the date of acquisition.

- ii) **Investments**
All investments are recorded at amortized cost using the effective interest rate method.

Temporary investments which consist of Canada treasury bills, commercial acceptances, and commercial paper.

Portfolio investments consist of municipal government and corporate bonds. Premiums and discounts are amortized over the life of the investment. Investment transactions are accounted for at the settlement date. Investment income is recorded on the accrual basis.

When there has been a loss in a value of an investment that is other than temporary decline, the investment is written down to recognize the loss and the loss is recognized in the consolidated statement of operations.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017
(In thousands of dollars)

2. ACCOUNTING POLICIES (continued)

iii) **Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost less residual value of the tangible capital assets is amortized on a straight-line basis over their estimated useful lives as follows:

Library Assets

Buildings	50 years
Land Improvements	30 years
Furniture and Fixtures	20 years
Books and Audio Visual information	10 years
Periodicals	2 years
Application Software	8 years
Computer Equipment	4 years

SILS Assets

Hardware	4 years
System software	4 years
Application software	8 years
Implementation costs	8 years
Circulation stations	3 years
Automation stations	3 years

A full year's amortization is charged in the year of acquisition and no amortization is charged in the year of disposal. Assets under construction are not amortized until the asset is available for use. Interest costs for the construction and development of tangible capital assets are capitalized.

a) **Buildings and Leasehold Improvements**

The Library operates several facilities on municipal reserve and other City of Saskatoon (the "City") land where residual ownership reverts to the City. These buildings have not been capitalized.

2. ACCOUNTING POLICIES (continued)

iii) Tangible Capital Assets (continued)

b) Cultural, historical and works of art

The Library owns various works of art and historical artifacts. These assets are not recorded as tangible capital assets and are expensed as acquired.

iv) Revenues and Expenses

Taxation revenue is recognized when authorized, the taxable event occurred, and collectability is expected.

Government transfers are recognized as revenue when authorized, all eligibility criteria are met, the amount can be estimated and collection is reasonably assured except when, and to the extent, stipulations by the transferor give rise to an obligation that meets the definition of a liability. For transfers with stipulations, revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are accounted following the deferral method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount received can be reasonably estimated and collection is reasonably assured. Restricted contributions are recognized as revenue in the year which related expenses are incurred.

Fine revenues are accounted for in the period when the payments have been received. Revenue from other fees and services are recognized in the year they are earned.

Expenses are reported on an accrual basis of accounting and expenses are accounted for in the period in which the goods and services are acquired and a liability is incurred.

v) Employee Benefits

Employees of the Library participate in a multi-employer defined benefit pension plan. The Library follows defined contribution accounting for its participation in the plan. Accordingly the Library expenses all contributions it is required to make in the year.

vi) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Significant estimates include the amortization of tangible capital assets.
