1. Use the search bar to find an eBook or audiobook written by your favourite author on either of the apps. Search for the word 'cats' on both apps. How many results do you get?
 - a. Can you use the search filters to narrow down your results to a smaller number? Experiment with all the search filters and find out what each one does.
 2. Can you find books written for readers your age? Does each app have collections for different ages?
 3. From the Libby homepage, click on the menu button and then "Explore All Subjects" to find books about mythology.
 - a. Open a book from your search results. Can you see where it lists the subject tags? Try clicking on another subject and see what related books you can find.
 - b. What other interesting subjects can you search for?
 - c. Can you search by subject headings on hoopla? Can you click through the subjects on a book and find related books?
