

Visiting Saskatoon Public Library

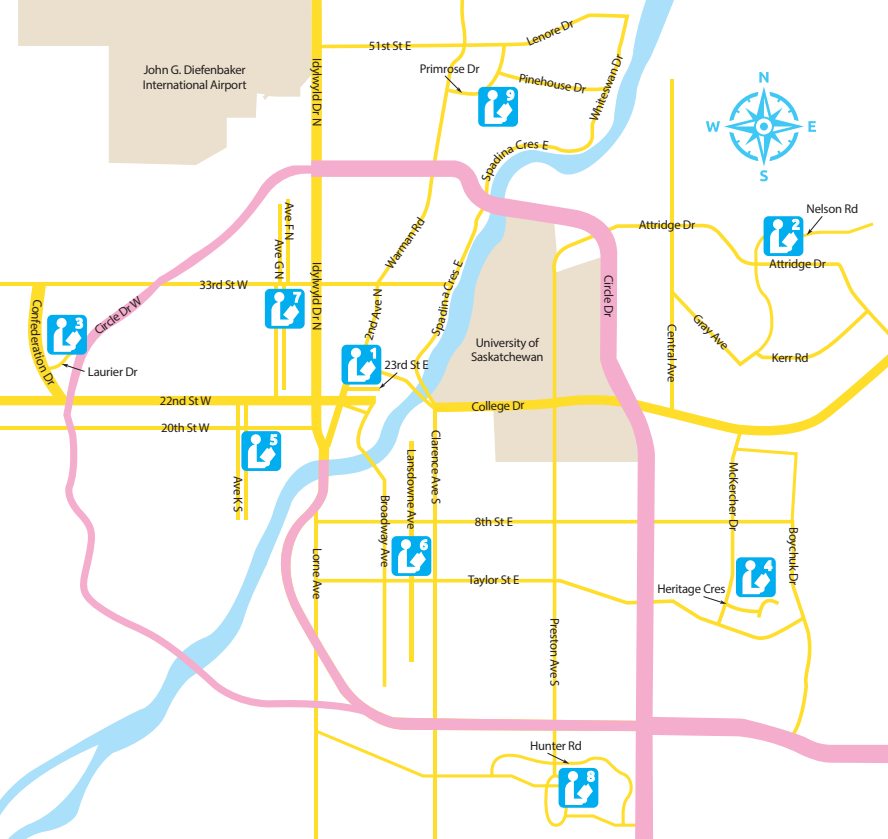

Your child will soon visit the library with their class.

If your child does not have a library card

Please fill out the form included in this package and return it to the teacher. Your child will get their card the day of their visit.

If your child already has a library card

Please check your child's card before their visit, to make sure address and contact information on the card is current. You can do this on our website at saskatoonlibrary.ca, under Log In. Your default library PIN is the last four digits of your phone number. Please call or visit us if you have any problems.
